

# the new way to YO!

Use your smartphone or ask a team member to borrow a tablet. Open your camera and scan the QR code on your table, or visit [order.yosushi.com](http://order.yosushi.com)

Repeat for extra dishes, drinks and desserts. Go on, treat yo-self!

Log in and select your restaurant. If you're new to YO! we recommend 4-5 small dishes or one larger bowl with two smaller dishes per person. Browse, select and pay. Chopsticks and seasonings will be sent to your table.

When you want your empties cleared, pop them to your side of your table so our team can take them safely.

Now you've ordered, your details are stored, so it's super quick to order more, either this visit or next time.

Once you've finished, don't forget to leave feedback. Remember: now you've been once, you are all set up for next time – see you again soon!

Now comes the fun! Our brand new delivery system with traffic light LED display will let you know when your food and drink arrives:

**Red = hands off: not yours this time!**

**Amber = exciting: your food is on its way!**

**Green = it's yours: grab it and enjoy!**

If you need assistance at any time, press the call button on your screen, and a team member will come and help you.

## YO! proudly supports test & trace

Your country needs you! Log on to our free customer Wi-Fi to register yourself to the government's Test & Trace programme.

Why register? By registering, you are helping prevent the spread of COVID19 and reduce the risk of a second spike and another lockdown. All you need to do is register your name when you arrive. If a case is reported in this venue, an NHS tracker will contact you and ask you to take a test. Your data will be deleted after 21 days, and you won't receive any additional contact from us as a result of registering for this service.
